What Others are Saying about Their Experience with Kelvin McCree

Pastor McCree, Thanks so much for all that you said tonight it was destined for me to hear you. I am a regular listener to the show and always take away something from each speaker but you truly blessed me this night. So glad I pressed my way home to be in place to take notes.

– Angela W., Living Well Ministry, Miami, Florida

I wanted to say thanks for letting be part of your session on laser focus and my life is forever changed knowing now that I have a design and specific way God made me.

-Theron P, St. Petersburg, Florida

May God continually bless you and I can't find any other words to express my heart-felt appreciation and well-being for you and your ministries. Before working with you I was overwhelmed with feelings and emotions "choking" my life away. Because of you, I am alive again. Thank you again, for your kindnesses and being blessed of God.

-Oliviya, Charlotte, North Carolina

Kelvin McCree's Laser Focus Coaching took on a journey back through my childhood and causes me to discover Gods plan for my life and giving birth to my dream. During my coaching I gave birth to my dream of starting a women's network, one that I thought wasn't attainable. The Nurturer, which cultivates hope and gives guidance to women in need was that dream.

-Evette, Lakeland Florida

Coaching saved my marriage and through Pastor Kelvin's coaching my eyes were opened to the true me. The Life Value module help identify inconsistencies in my life, and uncovered corrective actions that needed to be taken. Through the coaching process, I was able to see myself through my wife licenses and am now happily married.

-Pastor Gerald, Sebring Florida

We would like to personally thank you for being a guest speaker for "Milestone Motivation". The feedback of the show was tremendous and we thank you for sharing your strategies, they were quite clear and applicable across many sectors of society.

-Derrick M. Milestone Motivation Inc., Managing Partner, Head of Corporate Affairs

We enjoyed you immensely at your series of workshops here in Bristol. Your ministry was a not only a real blessing to us but the transformational nature of your communication to us is what made hearing you so special. Many, many remarks were made that they want more of what you have.

-Bishop G. Edmund, Bristol England
